POWERFUL COLLABORATION

Introducing the Modern Meeting Room

One of the most powerful meeting room platforms on the market is one that most organizations already have access to: Microsoft Teams. WBM's Managed Meeting Rooms as a Service gives you access to the full collaborative benefits of Teams by implementing the right equipment, tools, and training across your meeting rooms.

Customize Your Own Modern Meeting Room

Most of our clients already have Microsoft Teams included with their Office 365 subscription. Take full advantage of one of the most popular workplace collaboration platforms on the market by outfitting each of your meeting rooms with hardware and processes that are customized to your exact needs. Managed Meeting Rooms as a Service was designed to simplify and personalize the meeting room experience. We identify the right hardware, manage installation, host in-depth user training, and provide ongoing, industry-leading support.

What Can WBM's MMRaaS Do for Your Business?

IDENTIFY THE STRENGTHS AND WEAKNESSES OF YOUR CURRENT MEETING ROOM EXPERIENCE – Our team of experience engineers conduct end user interviews and examine the existing hardware in your meeting rooms to determine the best avenue for modernization.

DEFINE THE IDEAL HARDWARE FOR EACH MEETING ROOM – WBM identifies the ideal meeting room hardware based on your business's needs. From displays to MTR systems, we provide solutions to best fit each room environment.

RECEIVE EXPERT GUIDANCE AS YOU MODERNIZE YOUR WORKPLACE – We become your strategic technology partner. Rely on expert guidance through every step of the process, from physical room assessments to installation of new hardware.

HARDWARE INSTALLATION AND USER TRAINING – WBM makes sure your employees are equipped with the right technology and the right knowledge. We take care of hardware installation and user training so that you can make the most of each meeting.

ONGOING, INDUSTRY-LEADING SUPPORT – Gain access to decades of industry experience in the form of ongoing support. Our helpdesk is available 24/7/365 to answer any questions and eliminate any obstacles.

OPTIMIZE EACH MEETING ROOM EXPERIENCE – Don't delay the start of meetings due to technical difficulties. Our experience engineers introduce benefits like one-touch join capabilities to simplify the meeting room experience.
