# EMPOWER YOUR WORKFORCE

## Enhanced Collaboration Starts with the Right Processes and Tools

Improve every aspect of your workflows with an M365 adoption plan and roadmap customized to your business' needs with WBM's Change Management as a Service (CMaaS) offer.

### M365 Adoption + Change Management as a Service

#### Change Management Isn't a Risk—It's the Primary Driver of a Collaborative Workforce

How is your workforce leveraging the latest technology to stay connected? Many organizations view change management as a risk, but this is the wrong approach. CMaaS gives your company the knowledge, tools, and culture it needs to embrace change management as an agent of positive change.

M365 keeps employees connected wherever they're working. WBM's CMaaS offer is a multifaceted program that assesses your current workflows, technology, and business processes to develop an actionable M365 adoption plan that creates champions out of your best employees as you navigate a large scale implementation.

#### How Does CMaaS Help You Build an Integrated and Collaborative Workforce?

**IDENTIFY ORGANIZATIONAL STRENGTHS AND WEAKNESSES** – The entire exploration process is designed to assess your digital readiness, how your company uses technology, and identify the best avenue for implementation.

**CREATE A CUSTOMIZED ROADMAP THAT ADDRESSES YOUR NEEDS** – Initial discovery sessions involve key leaders, executives, and other stakeholders—allowing WBM to create an action plan that caters to your specific use cases.

**RECEIVE EXPERT GUIDANCE AS YOU NAVIGATE CHANGE MANAGEMENT** – WBM's team of experience engineers guide you through every step of the process, from initial strategy to full-scale implementation of your adoption plan.

**BUILD A CULTURE THAT EMBRACES TECHNOLOGY** – Technology alone isn't enough. WBM works with your key teams to develop a corporate culture that embraces technology and the positive business outcomes it provides.

**TURN YOUR MVPS INTO CHAMPIONS** – Empower your best employees by turning them into technology champions. WBM identifies your best employees, so they can become invaluable leaders throughout implementation.

**ACCESS WORKSHOPS AND INDUSTRY-LEADING SUPPORT** – M365 adoption is easier than ever with a proven team overseeing launch, dedicated workshops, and access to WBM's industry-leading support.

# OUR SERVICES

## DISCOVERY SESSIONS + DATA STRATEGY

The discovery process identifies how your organization uses technology, where your employees stand, and the relationship between your workflows and the technology you use.

## MODERN WORKPLACE ADOPTION PLAN

Minimize disruption with an adoption plan that is designed specifically with your business's needs in mind. Adoption plans outline every step of the implementation process.

## INTERNAL TRAINING & SUPPORT

Simplify your organization's approach to new tech. MWaaS integrates procurement, deployment, inventory, maintenance, and support in the solution.

## M365 IMPLEMENTATION

Turn your plan into a full-scale implementation that modernizes your workforce and provides them with the knowledge and tools needed to stay connected and collaborative

## Our Clients' Outcomes

- 710% Increase in Usage of Productivity Tools
- 81% Increase in Microsoft Teams Usage
- 260% Increase in Licensing ROI
- 24 Minutes Reclaimed for Every User, Everyday

Create an Empowered Workforce That's Ready for Tomorrow's Challenges.
