

SURFACE ADOPTION PLAN

Enhance Collaboration and
Unleash Productivity From Day One

Modernize the way you work with a Surface adoption plan that's designed to fit your people and your processes.

WBM's Change Management as a Service (CMaaS) focuses on your current workflows, pain points, and capabilities to set your teams up for success.

WBM Technologies Inc.

Microsoft Surface for Business Adoption Service

Microsoft Surface for Business introduces a powerful, agile, and adaptable set of tools designed for the modern workplace. But making the most of what Surface for Business has to offer requires a strategic adoption plan that understands the exact needs of your business.

WBM's CMaaS examines your current workflows, technology, and business processes to plan, develop, and implement the successful adoption of Surface devices across all levels of your organization. Deploy and manage Surface for your business by relying on decades of change management expertise and creating champions out of your top employees.

What Can WBM's CMaaS Do for Your Business?

SOLVE WEAKNESSES & CREATE STRENGTHS ACROSS YOUR ORGANIZATION

WBM examines the tools you use and how you use them to determine the best avenue for organization-wide implementation.

DEVELOP A CUSTOMIZED ROADMAP FOR YOUR BUSINESS

Identify which Surface devices are best for your business and create an action plan that caters to your teams—as well as key stakeholders.

RELY ON DECADES OF CHANGE MANAGEMENT EXPERTISE

Receive expert guidance through every step of the process, from initial discovery sessions to full-scale implementation of your adoption plan.

BUILD A CULTURE THAT EMBRACES TECHNOLOGY

Technology alone isn't enough. WBM works with your key teams to develop a corporate culture that embraces technology and the positive business outcomes it provides.

TURN YOUR MVPS INTO CHANGE MANAGEMENT CHAMPIONS

WBM identifies your best employees, so they can become invaluable leaders throughout implementation.

ACCESS WORKSHOPS AND INDUSTRY-LEADING SUPPORT

Microsoft Surface adoption is easier than ever with a proven team overseeing launch, dedicated workshops, and access to WBM's industry-leading support.

Our Services

DISCOVERY SESSIONS + DATA STRATEGY

The discovery process identifies how your organization uses technology, where your employees stand, and the relationship between your workflows and the technology you use.

SURFACE DEVICE ADOPTION PLAN

Minimize disruption with an adoption plan that is designed specifically with your business's needs in mind. Adoption plans outline every step of the implementation process.

DEDICATED TRAINING & SUPPORT

Our technology experience team will provide in-depth user training sessions for your teams. Make the most of your investment with hands-on training and dedicated support.

MICROSOFT SURFACE IMPLEMENTATION

Turn your plan into a full-scale implementation that modernizes your workforce and provides them with the knowledge and tools they need to do their best work.
