

# WebSan Solutions Inc.

WebSan Solutions Inc. is a multi-award winning company recognized for its top-notch customer service and software solutions.

With offices in both Toronto, Canada, and Indiana, USA, we are a premier Microsoft Dynamics Certified Partner and IT consulting and solutions provider.

As the Largest Hosting Provider for Microsoft Dynamics in Canada and with over a decade of experience in Enterprise Software solutions, online business and financial accounting software, the experts at WebSan know how to help you transform your business.

Our team consists of over 30+ professionals, with multiple decades of combined experience in the areas of ERP, and IT consulting. We had an amazing journey coming to where we are today and this means we're able to offer guidance and assistance to any sized company, looking to increase profitability by more effectively managing their resources, and improving productivity and efficiency in their operations.

Whether you're a rapidly growing company looking to automate processes and improve decision making for guaranteed success, or you're simply looking to gain more control over your business and your information, WebSan Solutions can help you succeed.
