

Services Intelligent Assistant

What is SIA

SIA provides an end-to-

end solution for Services companies that are willing to engage and add value to their prospect clie nts.

Through the integration of our SIA Bot in any webpage we will be able to deliver a state-of-theart solution for lead magnet and customer targeting workflow.

SIA provides an all in one solution for prospect onboarding and CRM database growth.

Easily convert your webpage visitors into business opportunities with SIA.

SIA is able to connect with any CRM, mostly Microsoft Dynamics 365,

and it is also integrated with power BI leading into a complete functional solution plus a data analytics feature.

ANALYZE DEMOGRAPHICS AND CUSTOMER BEHAVIOR EASILY

Through **Power BI**Reports and
Dashboards

OBTAIN THE MOST RELEVANT INFORMATION FOR YOUR SALES TEAM SEEMINGLESSLY
