

Orchestrate Business Excellence

Who we are as organization?

- ★ Lifeline is the organization born to make good on the promise embodied in our name. We aim to become trusted partner with our customers in their quest for success.
- ★ Our Flagship Product Whizable helps Services Organizations Orchestrate Performance and achieve
 - Increase billable resource utilization up to 12%
 - Decrease execution delays by up to 20%
 - Decrease effort to billing cycle up to 60%

* Above data is based on the usage audit of the product with clients in various geographies.

Core Values

W

Winning together as one team

h

Helping our customers succeed

i

Innovating with passion and purpose

z

Zealously pursuing excellence

i

Integrity and honesty in everything we do

b

Building trust and respect of stakeholders

l

Learning and growing continuously

e

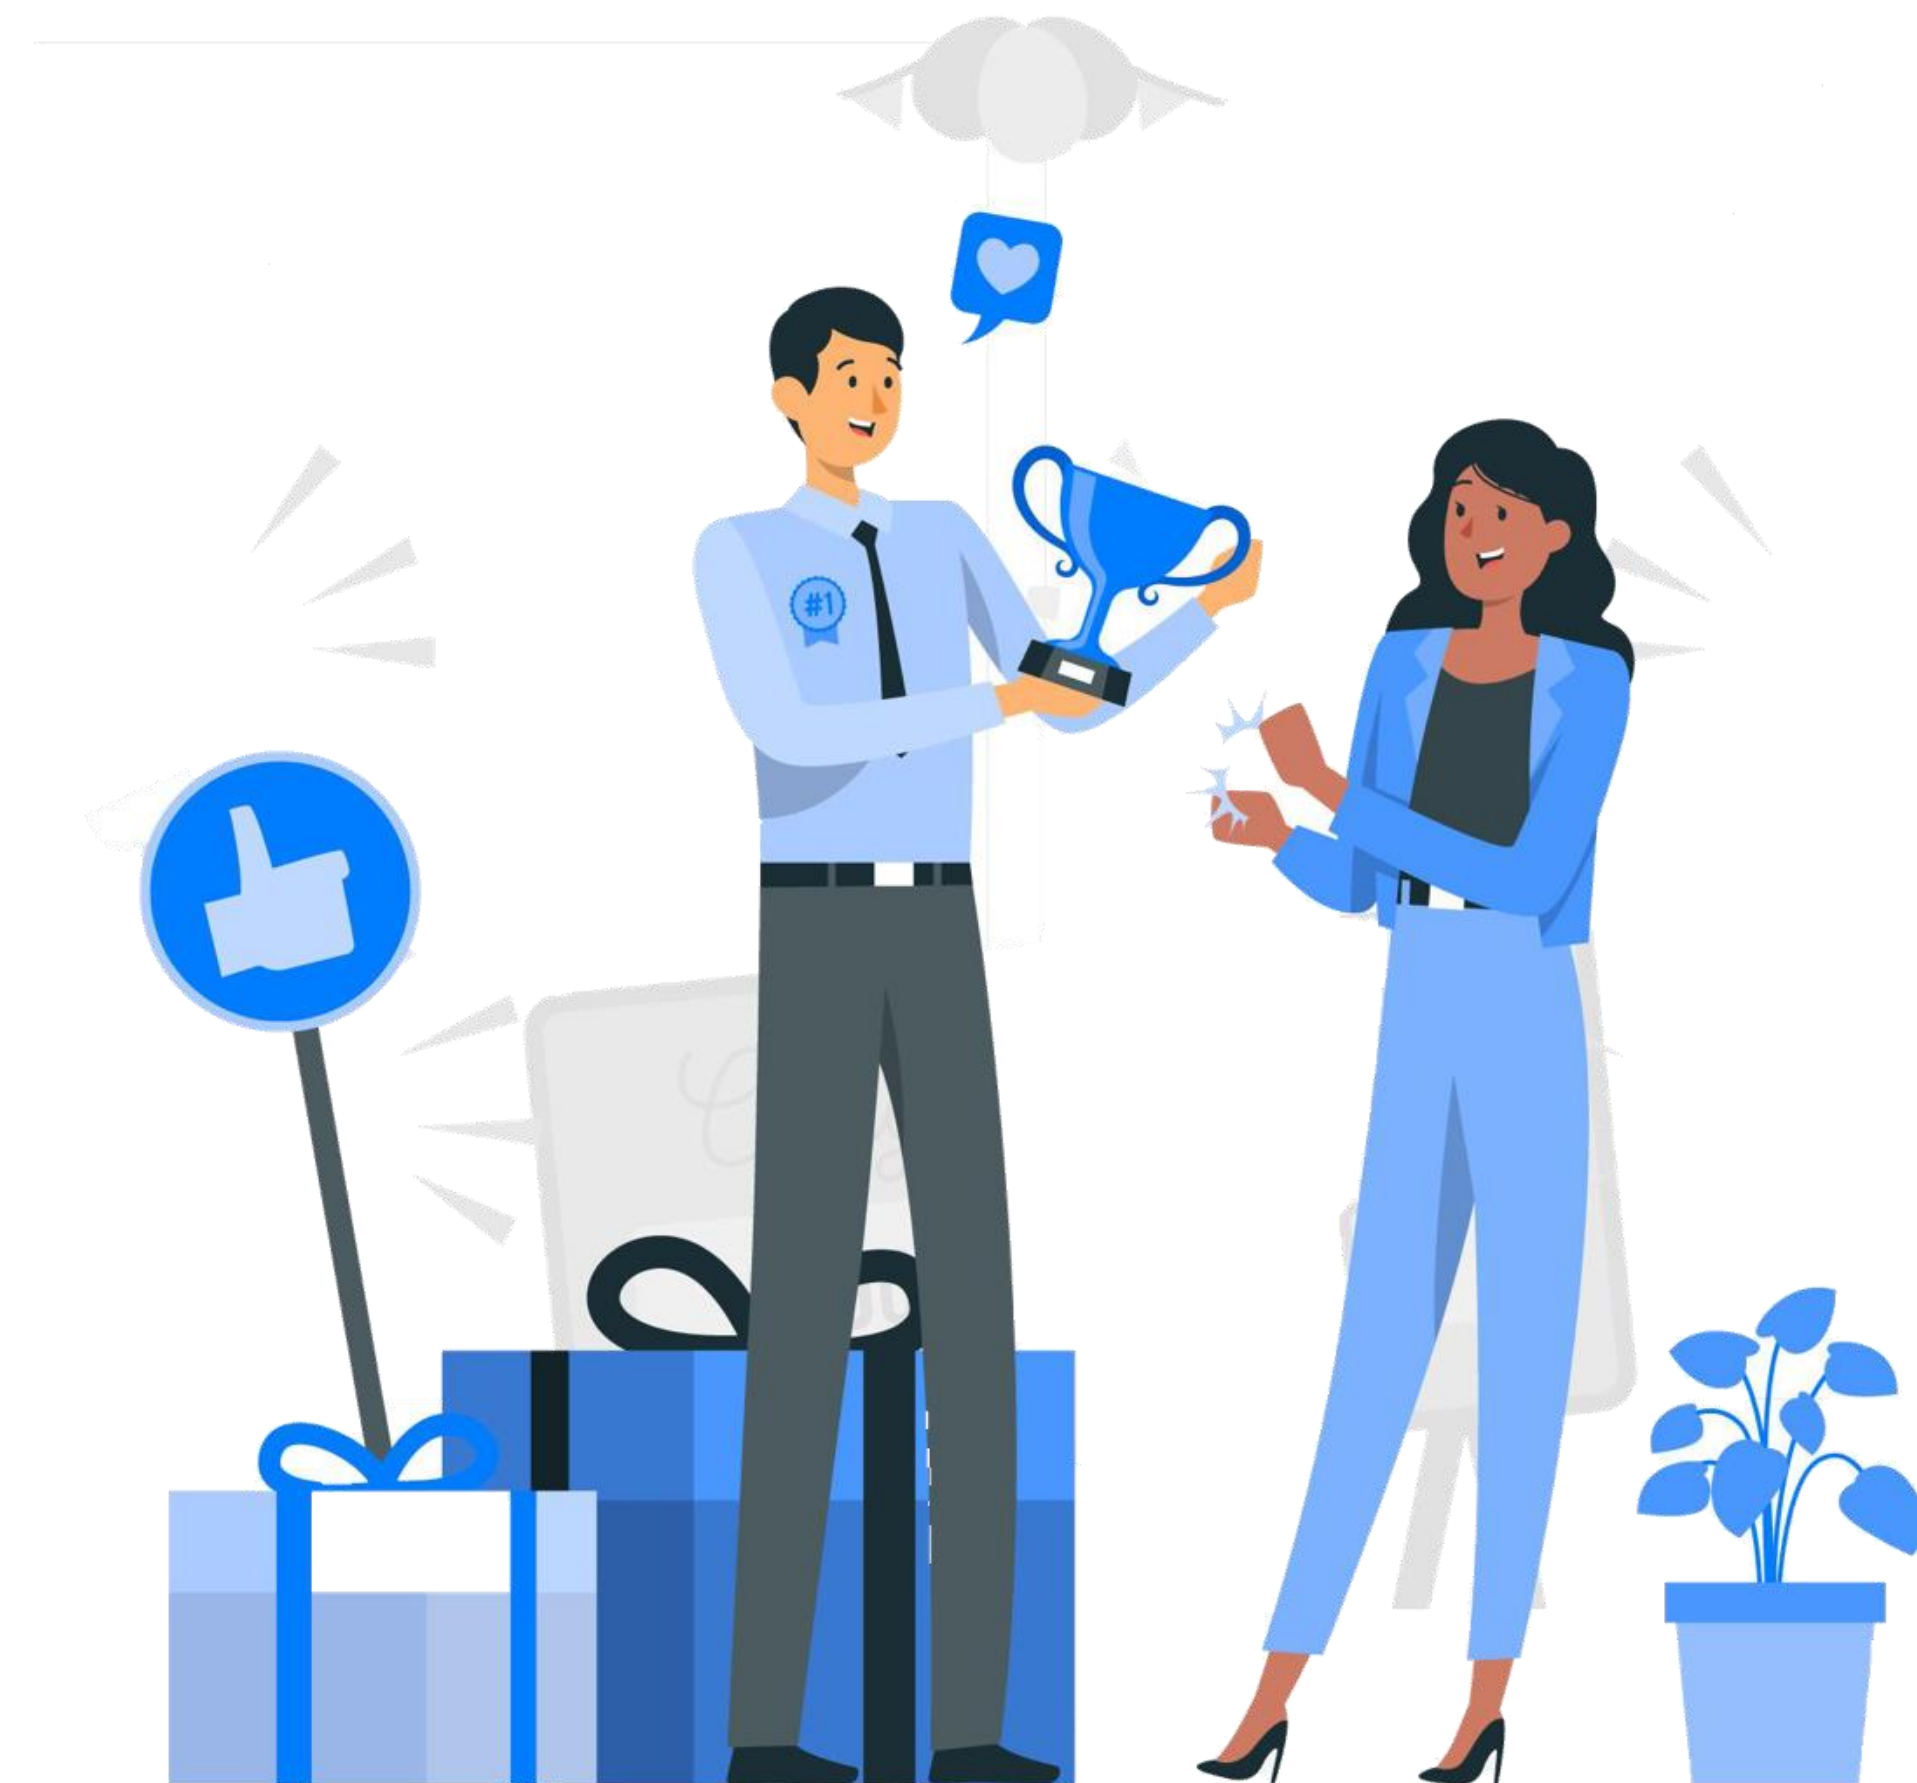

Empowering and inspiring others

Whizable Differentiators:

- Depth of functionality with deep domain expertise.
- 20 Years of lineage – Whizable ver. 20 launched in Jan 20, 2020
- Continued investments in product enhancement
- Dedicated to longterm customer success
- Low cost of ownership
- Stable Team : With Competence and Passion
- **Great story** behind the product journey*
- Best of Breed Integrated software
- We are completely MADE IN INDIA

**When acquirer was not able to do justice – we bought back and supported customers*

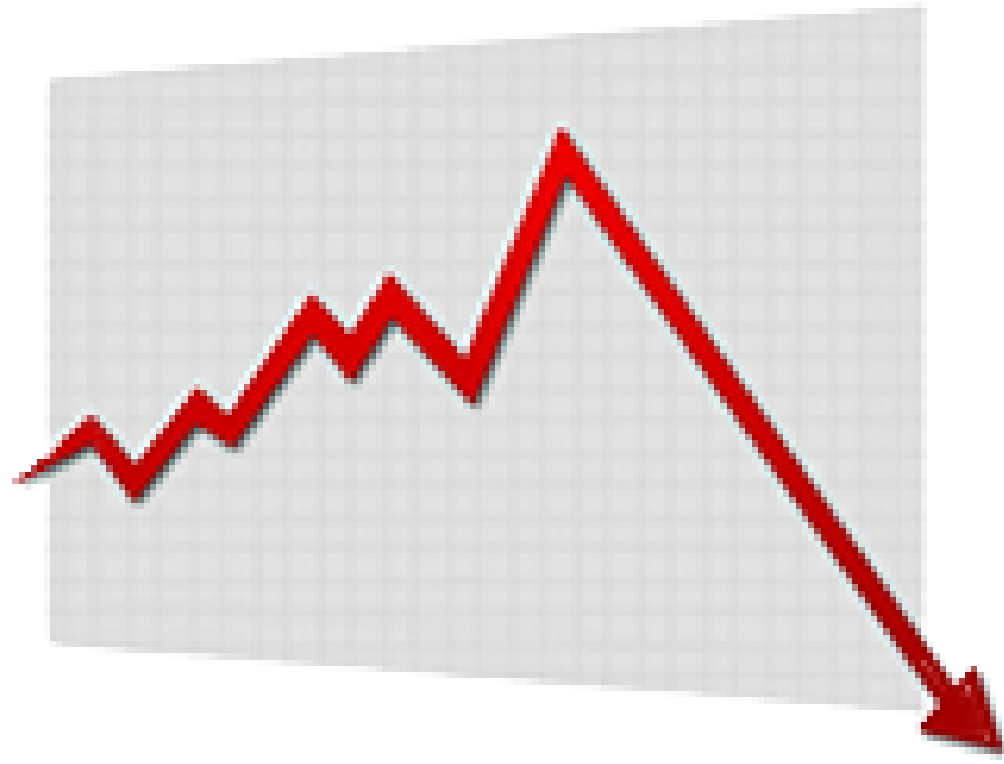

Why Choose Us

Only integrated solution which goes beyond project management and helps to achieve your business goals by improving topline & bottomline.

Whizable Guarantee

Savings in cost of ownership

Painless Implementation

Guaranteed Outcome

Lifetime Support*

Custom Integration

TCO – Total Cost of Ownership, QoS – Quality of Service | *As per the SLA and the contract period

Microsoft Projects integration - 2 way to make your MPP file a living document..

The screenshot displays the Whizible software interface for a project named "Z Unity". The main view is a "Task Gantt Chart" showing a list of tasks on the left and a Gantt chart on the right. The tasks are as follows:

Task ID	Task Name	Start Date	End Date	Work Hours	%	DependResources
1	Tasks	4/3/2020	4/10/2020	24:00	25	
2	Task 1	4/3/2020	4/6/2020	8:00	75	Syamantak
3	Task 2	4/7/2020	4/9/2020	8:00	0	Syamantak
4	Task 3	4/10/2020	4/10/2020	8:00	0	Syamantak
5	Check Task from Normal Assignment	4/3/2020	4/6/2020	8:00	0	
6	Check Task from Normal Assignment	4/3/2020	4/6/2020	8:00	0	Syamantak
7	Deploy infrastructure for the application	4/7/2020	4/8/2020	8:00	0	
8	Deploy infrastructure for the application	4/7/2020	4/8/2020	8:00	0	Syamantak
9	Software testing	4/4/2020	4/5/2020	11:00	50	
10	Software Testing Task 1	4/4/2020	4/5/2020	10:00	0	Syamantak
11	Software test case writing	4/4/2020	4/4/2020	1:00	100	Pradip Prad
12	Review	4/5/2020	4/5/2020	8:00	0	
13	Review Task 1	4/5/2020	4/5/2020	8:00	0	Syamantak

The Gantt chart on the right shows the progress of these tasks over a period from April 3 to April 11, 2020. The chart includes bars for each task, with some bars highlighted in red to indicate specific progress or status. A "Save" button and a warning message "Add Access is not given" are visible in the top right of the interface.

Whizable Benefits All Stakeholders...

C-Suite Leaders

- ✓ Use C-Suite Dashboards for tracking the 'Integrated Big picture'
- ✓ No more Tools silos
- ✓ Increase predictability
- ✓ Avoid Revenue leakage
- ✓ Make strategic decisions guided by real-time data
- ✓ Save time spent to micromanage project operations
- ✓ Spend more time on organizational growth

Project Managers

- ✓ Access real-time PMO Dashboards to monitor all projects and initiate quick corrective actions
- ✓ Manage project operations and improve project delivery
- ✓ Decisions based on data
- ✓ Avoid escalations
- ✓ Spend more time on ensuring customer satisfaction
- ✓ Provide timely and real status to leadership

Project Teams

- ✓ Plan and perform better across all assigned projects
- ✓ Improve individual performance and project service delivery
- ✓ Facilitate on-time project delivery
- ✓ Help in benchmarking
- ✓ Skill & workload management

We look
forward
to work
with you.
