

Wragby Connect

Wragby Connect is our consulting service aimed at helping organizations transform their employee experience by creating a gateway for their employees to seamlessly discover relevant news, information, resources, and tools used for day-to-day business activities.

Why Wragby?

With our extensive solutions development experience, Wragby has helped several organizations within the Sub-Saharan Africa improve workforce productivity through identifying top prioritized scenarios in frontline workforce, leveraging the Microsoft Teams platform. We work with organizations to understand their environment and identify opportunities to help them achieve continuous business value from their investments in Microsoft Teams. With industry and technology experience, you can count on us as your trusted partner in your transformation journey.
