RESULT

The support you need to accelerate your DevOps commitment.

Price: From 30 800 sek/ month

XENIT KUBERNETES SERVICE

3 REASONS WHY YOU SHOULD CHOOSE XENIT

1. Announced as Partner Collaboration of the year– Azure 2020 by Microsoft.
2. The updates made by Xenit have been rigorously tested and validated a head of time in Xenits internal environments ahead of time.
3. Xenit maintains a knowledge base to have standardized solutions to deal with any issue that may occur when migrating versions.
