XENIT WORKSPACE

Free more time to focus on your core business! With the workplace as a service, you give your employees a secure and managed client computer, filled with applications in Microsoft's user-friendly and familiar interfaces.

XENIT WORKSPACE

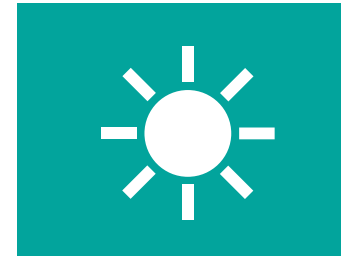

CLIENT NEED

A more effective workspace with better control of your devices and licenses.

SOLUTION

A centrally managed service build on MS365 with licenses, implementation, user management and support.

RESULT

Secure and managed client computers, filled with applications in Microsoft's user-friendly and familiar interfaces.

Price: From 600 sek per user and month

3 REASONS WHY YOU SHOULD CHOOSE XENIT

1. More time to focus on your core business while we manage your digital workspace.
2. You get unlimited 2nd & 3rd line support from our highly skilled ServiceDesk.
3. Always updated end user devices decrease the risk of most cyber threats.
