

PowerApps & Flow Workshop

10-day Implementation

XRMVISION.COM

For the 10 days covering this consulting service, we will provide the knowledge and expertise of our PowerApps Architect to allow you to fully benefit from PowerApps and Flow's capabilities.

This 10-day workshop is fully customizable to your business' needs, either it be fixing bugs on existing projects, creating a series of simple Canvas PowerApps or conceptualizing a more complex Model-Driven PowerApps to replace one of your business processes, our PowerApps Architect will be able to assist you. Thanks to our Agile Project Management Methodology, we will be able to help you wrap up a difficult project.

DELIVERABLES

As this workshop is fully customizable, here is a list of topics that have been covered in past workshops and could suit your needs:

- ❖ Analysis of current business processes
- ❖ Interface redesign
- ❖ UX optimization
- ❖ Creation of Model-Driven or Canvas PowerApps
- ❖ Data Integration (CDS)
- ❖ Utilization of Flow to automate processes
- ❖ Report on best practices customized to your business reality
- ❖ PowerApp Proof of concept
