Viva Learning Hub Brings Together the Power of Microsoft 365 and a Unified Library of Learning Various Resources

Viva Learning is a powerful learning hub that seamlessly brings together courses and training contents in the apps and devices your organization use every day.

With an expansive library of resources, centered as the organization's Viva Learning hub, it becomes the dedicated space to provide the best possible empowerments for employees. Accessible anytime, anywhere through Teams web, desktop, and mobile.

Your organization needs a partner that will bring project management, strategic thinking and technical proficiency to the process of building a learning hub for your organization's employees that are not only content-rich but outcome-oriented.

yeaps best for Viva Learning Hub will accelerate success in Employee Proficiency

Build the Learning Hub to Drive Employee Proficiency

Give employees the ability to explore and upskill individually or develop as a team with recommendations and campaigns by bringing **contents**, enabling **social learning**, and driving **transformation** using a content-rich hub in Teams

TRANSFORMATION

Drive development and growth personally or of the organization deploying a learning path campaigns or featured sets and monitoring personal progress

SOCIAL LEARNING

Inspire employees to upskill and track their progress with co-workers and teammates by enabling the ability to recommend or suggest

CONTENT

Make learning content readily accessible to all by unifying Microsoft 365 and world's leading learning solutions providers such as LinkedIn Learning, Coursera, Microsoft Learn

yeaps ✓ YES, TO AMAZING POSSIBILITIES

From Microsoft Viva Learning YEAPS is Your Partner for Success from Planning to Implementation

PLAN

Strategic Planning & Consulting

Our team will work with the organization in understanding the available sources, topics, and content to build a fitting learning hub for them.

DEVELOP

Content Architecture

We will guide the organization on how to structuralize the available learning materials and sources that will be used to build the hub seamlessly.

BUILD

Configuration & Set-Up

Once the structure has been laid out, our team can configure and set-up the initial learning hub for the organization.

TRAIN

Learning Officers Readiness

Training can be given to administration, knowledge managers, and other key change managers to equip them with the know-hows in updating and maximizing the hub.

LAUNCH

Announcement & Deployment

To get the culture of learning started, we can organize an org-wide launch to bring awareness about the new space dedicated for their growth and empowerment.

Additional services are available based on an organization's needs and readiness
Any of the above stages may be revisited based on terms and requirements
