

# ACCELERATE SUSTAINED EMPLOYEE PROFICIENCY

With YEAPS BESTIE for Microsoft Viva Learning Hub

YEAPS BESTIE\* is our program-based technology implementation service.

BESTIE stands for Build & Execute Systems Technology with Integrated Employees.

YEAPS BESTIEs will help sustain the deployment of courses in the learning hub through managed services. Ensure employee proficiency, without the heavy lifting, by entrusting the curation and facilitation of Microsoft Viva Learning with us.

## An Instant-On Team to Curate and Facilitate Your Microsoft Viva Learning Hub

Get started on driving employee proficiency through YEAPS BEST for Microsoft Viva Learning Hub; A unified hub for various learning sources. Provide employees a hub with rich selection of learning pathways that can be taken at the best possible pace and in line with organizational goals.

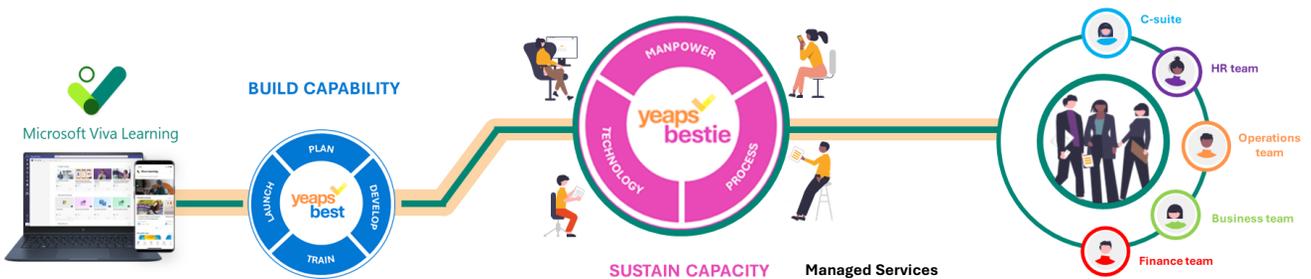

**YEAPS BESTIE for Microsoft Viva Learning Hub gives the organization updated curation of learning pathways and progress tracking while the organization's resources are kept at a minimum. With us providing the manpower resources, process management, technology resources, the organization continuously benefits of the learning hub while still focusing on matters prioritized by the company,**

## YEAPS is Your Partner for Success for Sustaining Learning Pathways to Ensure Employee Proficiency

Additional services are available based on an organization's needs and readiness

Start with our **YEAPS BEST** to create the dashboards then move forward and sustain it with our **YEAPS BESTIE** for managed services

YEAPS BESTIEs will provide manpower services, process management, and technology resources to sustain the consolidation and formulation of the unified learning content library. To maintain this, we will provide skills tracks development and implementation, and progress analysis, among others.

Note: Any of the above stages may be revisited based on terms and requirements
