

Teams Meeting Room 2 Hour Free Consultation

Yorktel's mission is to enable and facilitate collaboration – person to person regardless of device or location

Why Microsoft Teams Meeting Rooms?

Yorktel's no-cost 2-Hour Microsoft Teams Meeting Room Consultation is designed for customers who are seeking to employ Teams Rooms Systems in a variety of space types & sizes.

Our experienced sales engineers will discuss all aspects required for a successful deployment, assess the client's current situation and tailor a scope of work based on the agreed upon desired outcome.

Consult & Assess: Discuss client environment, define success, construct the outline of a SOW.

Execute SOW: Deliver the services outlined in the Scope of Work, enabling full production Teams Voice.

Per Frost & Sullivan, there are nearly 90 million meeting rooms worldwide and only 7.8% are enabled for video

Yorktel is a leading global provider of cloud and managed services for healthcare, large enterprise, and federal government customers

Applause from
Microsoft CEO

Satya Nadella Praises Yorktel, RedBit For Innovative Uses Of Microsoft Technology:

"Some of the ways that channel partners have leveraged Microsoft's products during the global coronavirus pandemic have been 'pretty stunning,' according to Nadella." ~CRN
