

Free Dynamics 365 & Power Platform Consultation (1 Hour)

Dynamics 365

Is your business ready to harness Dynamics 365 or Power Platform?

If you're evaluating Microsoft business tools – or already using them but feel under resourced – your **free 1-hour** consultation with a **certified solution architect** or senior consultant will provide clarity and direction →

Why us vs. others

We combine technical proficiency with business acumen – our aim is always strategic value, not feature-selling

IN THIS SESSION, WE COVER

- Current business needs and pain points
- Review of your systems landscape to identify inefficiencies
- Opportunity mapping across Dynamics 365, Power Apps, Automate, BI, Dataverse
- Tailored guidance on modules, apps, or automations suited to your needs

WHO BENEFITS

- Business leaders transforming operations
- IT teams exploring Microsoft ecosystem
- Nonprofits wanting efficient donor and volunteer management
- Existing users looking to deepen ROI

YOU'LL WALK AWAY WITH

- Understanding of Microsoft capabilities aligned to your vision
- Clear next steps and ROI-focused suggestions
- Summary report with session highlights and further resources
