

Stay In Touch Walk Thru

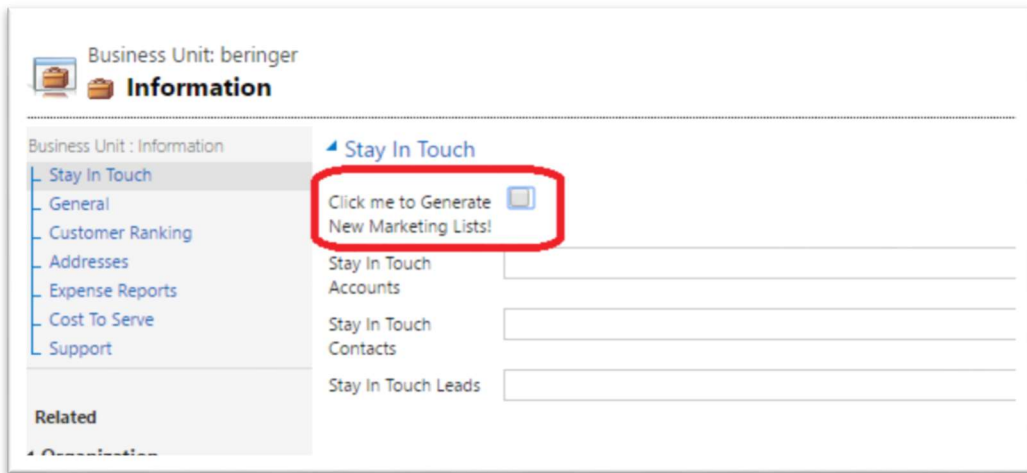

1. Open the **Stay In Touch 365** Managed Solution and click on **Configuration**

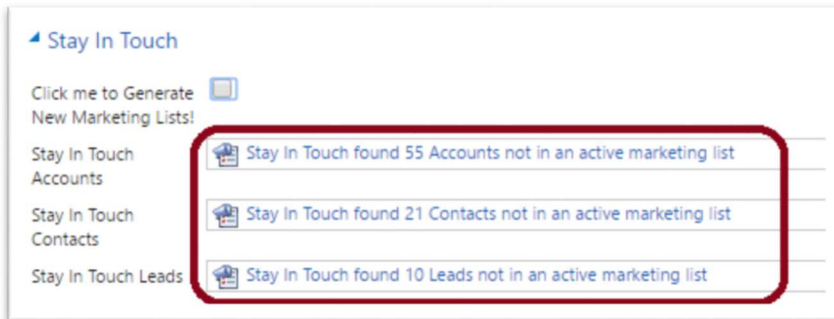

2. Click on the Yellow Star that reads “**Click Here To Begin**”

3. You will be redirected to the Parent Business Unit.
Click the box labeled **Click Me to Generate New Marketing Lists!**

4. Your new marketing lists are now generated. Click on one of the links to open it.

5. You can now manage your marketing list members, and build a campaign to reconnect with them.
